## TABLE OF CONTENTS

|              |                                                                                                                |       |
|--------------|----------------------------------------------------------------------------------------------------------------|-------|
| Section 1.0: | Introduction and Purpose .....                                                                                 | 1-1   |
| 1.1          | Purpose of the EIR .....                                                                                       | 1-1   |
| 1.2          | CEQA Document Tiering .....                                                                                    | 1-2   |
| 1.3          | Compliance with CEQA .....                                                                                     | 1-4   |
| 1.4          | EIR Scoping Process .....                                                                                      | 1-5   |
| 1.5          | Format of the EIR.....                                                                                         | 1-11  |
| 1.6          | Responsible and Trustee Agencies .....                                                                         | 1-12  |
| 1.7          | Incorporation by Reference .....                                                                               | 1-13  |
| Section 2.0: | Executive Summary.....                                                                                         | 2-1   |
| 2.1          | Project Location .....                                                                                         | 2-1   |
| 2.2          | Project Setting (Existing Conditions) .....                                                                    | 2-1   |
| 2.3          | Background and History .....                                                                                   | 2-6   |
| 2.4          | Project Characteristics .....                                                                                  | 2-7   |
| 2.5          | Goals and Objectives.....                                                                                      | 2-23  |
| 2.6          | Phasing/Construction.....                                                                                      | 2-24  |
| 2.7          | Agreements, Permits, and Approvals .....                                                                       | 2-26  |
| 2.8          | Summary of Project Alternatives .....                                                                          | 2-26  |
| 2.9          | Environmental Issues/Mitigation Summary.....                                                                   | 2-34  |
| Section 3.0: | Project Description .....                                                                                      | 3-1   |
| 3.1          | Project Location and Setting.....                                                                              | 3-1   |
| 3.2          | Background and History .....                                                                                   | 3-6   |
| 3.3          | Project Characteristics .....                                                                                  | 3-7   |
| 3.4          | Goals and Objectives .....                                                                                     | 3-23  |
| 3.5          | Phasing/Construction.....                                                                                      | 3-24  |
| 3.6          | Agreements, Permits, and Approvals .....                                                                       | 3-26  |
| Section 4.0: | Basis of Cumulative Analysis .....                                                                             | 4-1   |
| Section 5.0: | Environmental Analysis.....                                                                                    | 5-1   |
| 5.1          | Air Quality .....                                                                                              | 5.1-1 |
| 5.2          | Greenhouse Gas Emissions.....                                                                                  | 5.2-1 |
| 5.3          | Biological Resources .....                                                                                     | 5.3-1 |
| Section 6.0: | Other CEQA Considerations .....                                                                                | 6-1   |
| 6.1          | Long-Term Implications of the Proposed Project .....                                                           | 6-1   |
| 6.2          | Irreversible Environmental Changes That Would Be Involved In The Proposed Action Should It Be Implemented..... | 6-1   |
| 6.3          | Growth-Inducing Impacts .....                                                                                  | 6-2   |
| 6.4          | Energy Conservation .....                                                                                      | 6-7   |

## TABLE OF CONTENTS (continued)

|               |                                                                         |      |
|---------------|-------------------------------------------------------------------------|------|
| Section 7.0:  | Alternatives to the Proposed Project.....                               | 7-1  |
| 7.1           | “No Project” Alternative.....                                           | 7-2  |
| 7.2           | “Reduced Residential and Civic Center” Alternative.....                 | 7-9  |
| 7.3           | “Reduced Residential” Alternative.....                                  | 7-12 |
| 7.4           | “Environmentally Superior” Alternative .....                            | 7-16 |
| 7.5           | Alternatives Considered But Rejected From Further Analysis.....         | 7-17 |
| Section 8.0:  | Effects Found Not To Be Significant .....                               | 8-1  |
| Section 9.0:  | Inventory of Mitigation Measures .....                                  | 9-1  |
| Section 10.0: | Organizations and Persons Consulted.....                                | 10-1 |
| Section 11.0: | Bibliography .....                                                      | 11-1 |
| Section 12.0: | Appendices (under separate cover and contained on CD at end of section) |      |
| 12.1          | Initial Study and Notice of Preparation                                 |      |
| 12.2          | Notice of Preparation Responses                                         |      |
| 12.3          | Air Quality Assessment                                                  |      |
| 12.4          | Greenhouse Gas Assessment                                               |      |
| 12.5          | Hydrology/Water Quality Supplemental Data                               |      |
| 12.6          | Biological Resources Reports/Surveys                                    |      |

## LIST OF EXHIBITS

|               |                                                            |        |
|---------------|------------------------------------------------------------|--------|
| Exhibit 2-1   | Regional Vicinity .....                                    | 2-2    |
| Exhibit 2-2   | Site Vicinity .....                                        | 2-3    |
| Exhibit 2-3   | Aerial Photograph.....                                     | 2-4    |
| Exhibit 2-4   | Existing Land Uses .....                                   | 2-5    |
| Exhibit 2-5   | Proposed Master Land Use Plan.....                         | 2-8    |
| Exhibit 2-6   | Tentative Tract Map No. 17331 .....                        | 2-11   |
| Exhibit 2-7   | Proposed Master Plan of Parks, Trails, and Open Space..... | 2-17   |
| Exhibit 2-8   | Proposed Conceptual Landscape Master Plan.....             | 2-20   |
| Exhibit 2-9   | Proposed Grading Concept Plan.....                         | 2-22   |
| Exhibit 2-10  | Development Phasing Plan .....                             | 2-25   |
| Exhibit 3-1   | Regional Vicinity .....                                    | 3-2    |
| Exhibit 3-2   | Site Vicinity .....                                        | 3-3    |
| Exhibit 3-3   | Aerial Photograph.....                                     | 3-4    |
| Exhibit 3-4   | Existing Land Uses .....                                   | 3-5    |
| Exhibit 3-5   | Proposed Master Land Use Plan .....                        | 3-8    |
| Exhibit 3-6   | Tentative Tract Map No. 17331 .....                        | 3-11   |
| Exhibit 3-7   | Proposed Master Plan of Parks, Trails, and Open Space..... | 3-17   |
| Exhibit 3-8   | Proposed Conceptual Landscape Master Plan.....             | 3-20   |
| Exhibit 3-9   | Proposed Grading Concept Plan.....                         | 3-22   |
| Exhibit 3-10  | Development Phasing Plan .....                             | 3-25   |
| Exhibit 4-1   | Cumulative Project Locations.....                          | 4-5    |
| Exhibit 5.3-1 | Jurisdictional Features .....                              | 5.3-36 |
| Exhibit 8-1   | Viewpoint Location Map.....                                | 8-4    |
| Exhibit 8-2   | Viewpoint 1.....                                           | 8-5    |

## LIST OF EXHIBITS (continued)

|              |                                       |      |
|--------------|---------------------------------------|------|
| Exhibit 8-3  | Viewpoint 2.....                      | 8-6  |
| Exhibit 8-4  | Viewpoint 3.....                      | 8-7  |
| Exhibit 8-5  | Viewpoint 4.....                      | 8-8  |
| Exhibit 8-6  | Viewpoint 5.....                      | 8-9  |
| Exhibit 8-7  | Viewpoint 6.....                      | 8-10 |
| Exhibit 8-8  | Viewpoint 7.....                      | 8-11 |
| Exhibit 8-9  | Viewpoint 8.....                      | 8-12 |
| Exhibit 8-10 | Viewpoint 9.....                      | 8-13 |
| Exhibit 8-11 | Existing Drainage Hydrology Map ..... | 8-43 |

## LIST OF TABLES

|             |                                                                                                                |        |
|-------------|----------------------------------------------------------------------------------------------------------------|--------|
| Table 2-1   | Area Plan Planning Areas .....                                                                                 | 2-10   |
| Table 2-2   | Proposed Development for Tentative Tract Map No. 17731 .....                                                   | 2-13   |
